News

Michael Clowes has now moved home and has started a new job with the Financial Conduct Authority (FCA). We shall miss him greatly and he would love to hear from you. His address is 19 Whales Court, 75 West Ham Lane, Stratford, E14 4PB.

Abraham continues to seek avenues in which his immigration status can be sorted out. Please pray for him during this uncertain and difficult time.

Philip Venables is recovering from depression illness that has afflicted him over the years. He is so very much appreciative of the support and prayers of the church.

St Richard's School (Hanworth) - Our brother Andrew Heron has had an opportunity to take an assembly at a local school. This is an excellent opportunity and one that the church should get behind in prayer. The implications are significant and though we may not immediately see the evidence of sowing the seed, there is always a spiritual harvest which is unseen and in God's timing.

Virginia Spencer is looking for a place (room in a house share) to rent and so if you know of any room available please let her know.

Vicarage Farm Care Home (Hounslow West) - FEC has been enabled under an existing arrangement to go into Vicarage Farm Care Home and hold services on a monthly basis. If you would like to support this work by accompany Andrew and Brenda please speak to either of them. There is always a need for the presence of Christians in a place where many are isolated and ignored by society.

Joyce and the family - Joyce, Henry, Moureen, Margaret and Mariam have now moved and are beginning to settle down in their new home in Enfield. Please continue to pray for them and keep in touch as they would value this. Their new address is 445 South Ordnance Road, Enfield, EN3 6HR.

Mark and Laura, Zach and Amy will have significant building work that will take place in the course of the next few months and with so many things that could go wrong, we would value your prayers for a smooth completion of building work.

Christian conferences are often a great way to spend time together and this year the Aberystwyth Christian Conference have introduced a blanket charge of £420 per family, and this regardless of the number of children in any given family. Some from FEC are going, and if you would like to consider coming, please speak to Zach or Amy.

Cleaning and Maintenance - With spring upon us, we intend to have cleaning and maintenance on Saturday 23rd March from 9am – 12 noon. If you are able to help, please speak to Bob.

Notes

The Feltham Journey Bible reading – Reading through the bible continues to be an excellent opportunity for us to know the God we serve and with whom we look forward to spending eternity. If you have not started ‘The Feltham Journey’ or you have fallen behind, just pick up where others are and persevere. If you are able to host the next meeting, please let Mark know.

One -to- one Bible studies – There are a number of one-to-one bible studies taking place at the fellowship. If you come regularly on Sunday and you wish to better engage with God’s word, then simply ask one of the elders and they will ensure you can meet with someone for a one-to-one bible study. There is also a small group bible study that takes place on Thursday mornings which is informal and designed to encourage searching and studying the scripture.

Open-House – If you are around on Friday mornings, then come along and enjoy fellowship and friendship at Open House.

Benevolent fund – This has been greatly used in the past to help those in the household of faith but also beyond. The finance is somewhat depleted and so please remember this work in our giving.
